

Visit - Bug # 1223: fully remove ViSUS

Status:	Pending	Priority:	Normal
Author:	Mark Miller	Category:	
Created:	10/31/2012	Assigned to:	Mark Miller
Updated:	02/12/2013	Due date:	
Likelihood:	3 - Occasional		
Severity:	2 - Minor Irritation		
Found in Version:	2.5.2		
OS:	All		
Support Group:	Any		
Subject:	fully remove ViSUS		
Description:	A while back we dropped support for ViSUS and removed it from our nightly testing. But, there is a bunch of other places that reference ViSUS that need to be removed...		
	<pre>src/databases/CMakeLists.txt src/databases/ViSUS src/CMakeLists.txt src/CMake/FindVisus.cmake src/CMake/PluginVsInstall.cmake.in src/svn_bin/bv_support/bv_main.sh src/svn_bin/bv_support/modules.xml src/svn_bin/bv_support/bv_visus.sh src/config-site/convertconfigs.py src/config-site/<various>.cmake test/tests/queries/pickonionpeel.session test/tests/session/legendproperties.session data/visus_test_data.tar.gz</pre>		

History

02/12/2013 08:00 pm - Mark Miller

- Assigned to set to Mark Miller
- Priority changed from High to Normal
- Target version set to 2.7
- % Done changed from 0 to 90
- Estimated time set to 0.50

I've done almost all of this as part of VTK-6 upgrade. Still have to get to data and tests dir
