

Silo - Bug # 314: silo installation's "current" dirs should be removed

Status:	Pending	Priority:	Normal
Author:	Mark Miller	Category:	
Created:	08/04/2010	Assigned to:	
Updated:	08/04/2010	Due date:	
Likelihood:	4 - Common		
Severity:	3 - Major Irritation		
Silo Found in Version:	< 4.7		
OS:	All		
Support Group:	DOE/ASC		
Subject:	silo installation's "current" dirs should be removed		
Description:	<p>cq-id: VisIt00006830 cq-submitter: Mark Miller cq-submit-date: 12/07/05</p> <p>On LLNL platforms, /usr/gapps/silo has directry named "current" that is a symbolic link to an ancient version, 4.3.2, of silo.</p> <p>Either it should be updated whenever Silo is updated, or, it should be removed. I vote for the latter</p>
