<b>Subject:</b>	ensure silo library handles 64 bit integers correctly		
<b>Description:</b>	<p>cq-id: VisIt00008819 cq-submitter: Mark Miller cq-submit-date: 12/01/08</p> <p>We need to make sure Silo will handle DB_INTEGER data that is 64 bit integers. More precisely, if sizeof(int) returns 8, we need to make sure Silo will read/write that correctly via HDF5 driver. Also, resolve what DB_LONG versus DB_INTEGER means in this context.</p>
